## Who We Are...

We are a program of the Sustainable Living Center, interested in the quality of life and livability of the Walla Walla Valley. One way to accomplish these goals is to encourage businesses to adopt practices that work to reduce the use of utilities, fuel and water, the amount of waste generated, and the use of materials, especially hazardous materials.

### Sustainable Living Center

The Sustainable Living Center is a non-profit organization whose mission is: *To conserve resources for the future by encouraging and facilitating sustainable living practices in our community.*

## What We Do...

The \$mart Business Partner Program offers incentives and assistance to encourage businesses to adopt voluntary practices to protect, preserve, and improve the environment. Businesses meeting the program's criteria can become a \$mart Business Partner Program member.

## The Program...

- Provides a guide and assistance in setting and achieving goals to reduce, energy, water, waste and purchasing costs.
- Offers on-site visits and tools to achieve goals.
- Publicly recognizes businesses for their efforts to become sustainable by setting environmental goals.
- Awards certifications to \$mart Business Partners so that local consumers can shop green.
